## IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

Reporting Requirement Not Met for City of Sunrise Beach Village

We are required to report the results of RTCR. Results of the regular monitoring are an indicator of whether or not your drinking water meets health standards. During January 2020, we did not report the results of the monitoring for Total Chloroform.

Although public health was not impacted, we are required to notify our customers. There is nothing you need to do at this time.
